## PROFESSIONAL SKILLS

**Software Development**

Java, C#

Web (HTML/CSS/JS)

React.js

MySQL (DDL/DML)

**Software**

Microsoft Office Suite

Adobe Photoshop

## EDUCATION

2013 - 2017
**Loyola University Chicago**, *B.S. in Software Engineering*

GPA: 3.2, Presidential Scholarship, Dean's List

2009 - 2013
**Northside College Preparatory High School**

ACT Composite Score: 33, Illinois State Scholar Award

## WORK EXPERIENCE

11/2015 – 02/2016
**Skokie Public Library**, *Volunteer Technology Tutor*

Instructed library patrons how to accomplish various personal computing tasks at their requests. I was able to grow my communication skills greatly, especially in technical communication.

05/2015 – 08/2015
**Midwest Trading Group**, *Database Intern*

Gained experience working full-time in a professional environment. Grew ability to write SQL queries when given a business problem.
